Index to JCCA Volume 40 (1996)

Abstracts 50
admission, chiropractic college admission test: a proposal for its development and use 150
ADOLESCENT LUMBAR DISC HERNIATION: A CASE REPORT: King L, Mior SA, Devonshire-Zielonka K 15
Advent J: see Hagino C, Thompson M, Advent J, Rivet L 220
affiliation, CMCC's persistent pursuit of university affiliation – Part III: the push for union with the University of Victoria BC, 1988 to 1992 87
AGREEMENT BETWEEN 2 PAIN VISUAL ANALOGUE SCALES, BY AGE AND AREA OF COMPLAINT IN NECK AND LOW BACK PAIN SUBJECTS: THE STANDARD PEN AND PAPER VAS VERSUS PLASTIC MECHANICAL SLIDERULE VAS: Hagino C, Thompson M, Advent J, Rivet L 220
amalgam, the dental amalgam controversy – a review 169
analysis, a mail survey of health care professionals: an analysis of the response 162

back, agreement between 2 pain visual analogue scales, by age and area of complaint in neck and low back pain subjects: the standard pen and paper VAS versus plastic mechanical sliderule VAS 220
back, rehabilitation – an addition to standard chiropractic management for chronic low back pain 100
back, spinal manipulation for chronic low back pain – a review of the evidence 180
back, the effect of trochanteric support on low back strength: a pilot study 104
board, reliability and validity of the Canadian Chiropractic Examining Board examinations: a nine year longitudinal study (1987–1995) of their psychometric properties 19
Book Reviews 123
Brown DM: CMCC's persistent pursuit of university affiliation – Part III: the push for union with the university of Victoria BC, 1988–1992 87
buttock, hip and buttock pain due to occult pelvic fractures – a case report 82

canals, nutrient canals of the ilium – a case report 79
Chapman-Smith DA: Legislative approaches to the regulation of the chiropractic profession 108
chiropractic, a proposed quality assurance program for the clinical use of surface electromyography in the chiropractic office 203
CHIROPRACTIC COLLEGE ADMISSION TEST: A PROPOSAL FOR ITS DEVELOPMENT AND USE: Violato C, Marini A, Nixdorf D, Lawson D 150
chiropractic, current and future health care trends and their impact upon chiropractic (Commentary) 141
chiropractic, legislative approaches to the regulation of the chiropractic profession 108
chiropractic, physicians' perspectives on chiropractic treatment 214
chiropractic, spinal manipulation in a case of sacral fracture – presentation in a chiropractic office 145
CHIROPRACTIC'S UNIQUE EVOLUTION AND ITS FUTURE STATUS: Wardwell WI 34
chronic, rehabilitation – an addition to standard chiropractic management for chronic low back pain 100
CMCC'S PERSISTENT PURSUIT OF UNIVERSITY AFFILIATION – PART III: THE PUSH FOR UNION WITH THE UNIVERSITY OF VICTORIA BC, 1988 TO 1992: Brown DM 87
Cogill L, Fitz-Ritson D: The effect of trochanteric support on low back strength: a pilot study 104
college, chiropractic college admission test: a proposal for its development and use 150
Coming Events 57, 124, 188
Commentary
Crawford JP: The time has come – are you ready doctor? 40
Oswald CA, Pooley DL: Current and future health care trends and their impact upon chiropractic 141
consent, informed consent 43
Crawford JP: The time has come – are you ready doctor? (Commentary) 40
CURRENT AND FUTURE HEALTH CARE TRENDS AND THEIR IMPACT UPON CHIROPRACTIC (Commentary): Oswald CA, Pooley DL 141

Dainty DA: see Nicholson WR, Dainty DA, Marcarian D 203
DENTAL AMALGAM CONTROVERSY: A REVIEW: Feuer G, Injeyan HS 169
Devonshire-Zielonka K: see King L, Mior SA, Devonshire-Zielonka K 15
disc, adolescent lumbar disc herniation – a case report 15
dispute, alternate dispute resolution

EFFECT OF TROCHANTERIC SUPPORT ON LOW BACK STRENGTH: A PILOT STUDY: Cogill L, Fitz-Ritson D 104
electromyography, a proposed quality assurance program for the clinical use of surface electromyography in the chiropractic office 203
evolution, chiropractic's unique evolution and its future status 34
examinations, reliability and validity of the Canadian Chiropractic Examining Board examinations: a nine year longitudinal study (1987–1995) of their psychometric properties 19
exostoses, hereditary multiple exostoses – a case report 28

Feuer G, Injeyan HS: The dental amalgam controversy – a review 169
